We Dedicate...

... the 1965 Bervalon to a man who has been our inspiration, guide, and friend—Mr. John Chobany.

Mr. Chobany has served as principal of Berlin Brothersvalley Joint High School since 1959—throughout our junior and senior high careers. His first concern has always been the educational advancement of our school. It was largely through his efforts that our Student Council was organized. He has worked closely with the Hall Patrol and other student organizations and has given the entire Senior Class advice and encouragement.

To Mr. Chobany goes a large measure of credit for our scholastic development over the past six years. No matter what the future may hold for us, whenever we reflect upon our high school careers, we shall remember with sincere respect the name of Mr. John Chobany.

Foreword

THE HUMAN SITUATION AND THE LOVE OF GOD BLEND AND
LIGHT COMES INTO THE DARK PLACES OF OUR LIVES

Our twelve years of formal education have been basically a period of enlightenment — a time of contact with people and ideals that has resulted in our development — mentally, physically, and spiritually — into mature people ready to take our places in the future. We realize that striving to procure knowledge is a lifelong procedure, but through the opportunities at Berlin-Brothersvalley Joint High School we have gained a firm foundation.

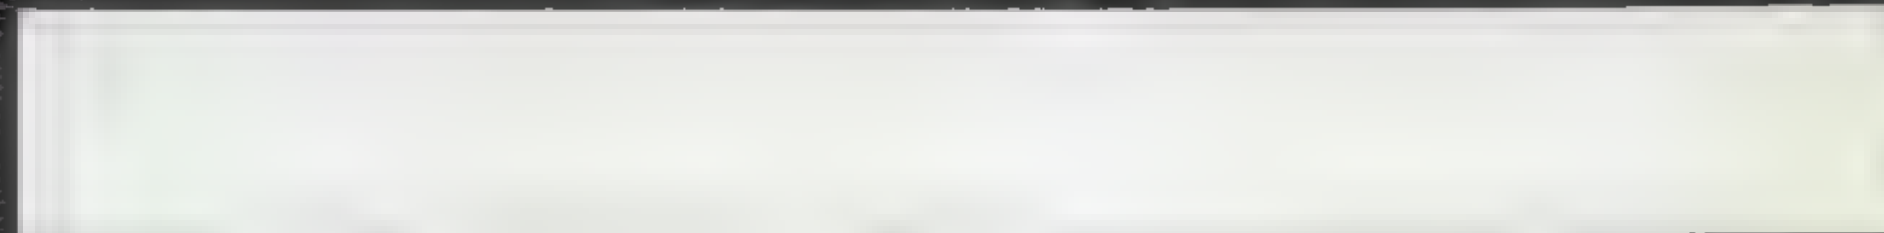

Our purpose in presenting the 1965 *Bervalon* is to record the people, organizations, and events that have made up a part of this development. We hope to present a volume that will have a special meaning for us now and in the future, a book that will record permanently every facet of our high school life — the time

Class History

As our high school days draw to a close we take a final fond look at the highlights of the past four years.

Under the leadership of our first class officers, David Wetmiller, Joyce Suder, Connie Zorn, and John Soniger, we assumed the new and different role of freshmen.

As sophomores, we saw several members of our class help capture the District V basketball championship. For leadership we looked to William Scurfield, James Will, Larry Varchetti, and Connie Zorn.

Our junior year was one of outstanding achievements. James Zimmerman was named to the Al County football and basketball teams. James Will was selected for the National FFA Band, and several class members participated in county and district band and chorus festivals. Our junior class play, *Best Foot Forward*, was successfully presented. We elected James Will, Dan Saylor, Barbara Marteeny, and Carole Cikes as class officers. The year closed with "Evening in Paris", the theme of our junior-senior prom.

As we advanced to the coveted status of seniors, we elected as our class officers Dale Deist, William Smith, Barbara Marteeny, and Clifford Cook. The play, *The Thread That Runs So True*, was presented with Clifford Cook and Linda Riehl in the lead roles. Barbara Marteeny was Homecoming Queen and David Wetmiller was named a National Merit Scholarship Semi-Finalist. Berlin's teams had a very successful season athletically.

With the completion of Class Night, Baccalaureate, and Commencement, our high school life draws to a close. As we take leave of the past and advance into the future, may we ever keep in mind the words of our class motto: "Take fast hold of instruction; let her not go; keep her; for she is thy life."

The Mountaineer Chapter of the National Honor Society was instituted to advance the ideals of character, scholarship, leadership, and service in the school. Its members are selected from the honor students in the junior and senior classes with the approval of the faculty. The Society annually sponsors the school's Charities Chest drive and other service functions.

Student Council

The Student Council, composed of one representative from each homeroom, is the legislative organization of the students. It has the power to pass rules and regulations for the student body. Its purpose is to promote the general welfare of the school, stimulate a feeling of cooperation between faculty and students, and to develop school spirit, ideals, and good citizenship.

Instrumental Music

The instrumental music department is composed of three musical organizations under the direction of Mr. William M. Schaefer.

The band performs at area parades throughout the summer and at all football games. During the remainder of the year this organization rehearses a concert repertoire for presentation at the All-County festival and at community concerts. The orchestra and dance band, which provide music for many school functions, give more advanced student musicians the opportunity for both classical and modern music expression. Students are also able to participate in band and orchestra events on the county, district, and state levels.

Vocal Music

The vocal music department, under the supervision of Miss Betty Hoy, has traditionally held an important place in Berlin's extra-curricular program

The Mixed Chorus, composed of students in grades nine through twelve, rehearses and presents throughout the school year music in a wide variety of styles—sacred, semi-classical, and popular. This organization performs at assembly programs and at the All-County Chorus Festival. The Girls' Ensemble presents programs at many school and community functions. Publications

The two student publications at BBJHS provide students with the opportunity for valuable experience in the field of journalism.

Our school newspaper, the **Mountaineer**, now in its twenty-eighth year of publication is the news organ on the school. This publication summarizes and reports the various activities, events, and personalities of interest to the student body. This year the **Mountaineer** has undergone a considerable change in format and is being printed more frequently. Mr. Thomas E. Sprowls is in his second year as the staff's adviser.

The **Bervalon**, also in its twenty-eighth year, is published by a staff selected from the senior class and is advised by Mrs. Evelyn R. Baltzer. The purpose of the yearbook is to record the people, organizations, and events that make up a school year. The staff members gain experience in the various aspects of yearbook production: layout, advertising, photography, and writing.

The Brothersvalley Chapter of the Future Farmers of America, chartered in 1937, is an intra-curricular organization working through the vocational agriculture department. This organization has as its foundations, leadership and character development, cooperation, improved agriculture, and citizenship. Individual accomplishment in farm-related areas both on the state and local levels is encouraged.

'Toward New Horizons' has a very special meaning to the members of the Future Homemakers of America. With this motto and their purpose, "learning to live better today in order that our lives and those of our families may be better tomorrow," F. H. A. is preparing its students for life and its problems.

Athletics

1964-65 will long be remembered as a highly successful year in BBJHS athletics, not only in terms of victories but also in the areas of cooperation, team spirit, and personal achievement.

On the gridiron Coach Anthony Cugini's Mountaineers compiled a record of 7 and 2, losing only to Shade and Northern, and placing several team members on the All-County team.

Records were shattered as Ber n captured the Somerset County Basketball League title, with a perfect 21-0 tag, the first undefeated season in BBJHS history. In the playoffs the Mounties defeated Northern Bedford to become District V Class B champions. During the season the team set school records for total points (1,783), field goals (705), and foul-shooting percentage. Individual achievements were also noted as Coach John Lichvar recorded his three-hundred twenty-first victory, a County high, and Jim Zimmerman set a new school record, scoring 43 points against Turkeyfoot, to cap a 1,296 career total. The junior varsity team also emerged as league champions with an impressive 19-2 record.

The winning combination in all sports proved to be a blend of talent and experience, skillful coaching, and teamwork, backed by tremendous support on the part of the cheerleaders and the students.

JOHN LICHVAR—Head Basketball and Baseball Coach, WILLIAM WEBRECK—Junior High Basketball Coach, DONALD PETERSON—Faculty Manager and Junior High Football Coach, ANTHONY CUGINI—Head Football Coach, FRANK MADEY—Assistant Football and Basketball Coach.

In Appreciation

As we reach the closing days of our final and most memorable year of high school the members of the 1945 **Bervalon** staff pause to express our appreciation to Mrs Evelyn R Baltzer, who, as our adviser, has willingly given of her time, experience, and patience toward the successful publication of the **Bervalon**.

It was through her guidance that our yearbook work became an enjoyable experience in learning. In this work, as in her classes, Mrs Baltzer has always maintained the highest standards of excellence. We accepted her criticisms of our work and welcomed her suggestions for improvement and when it had finally met her approval, we knew we had accomplished something.

We shall always regard the publication of our annual as one of our most enriching school experiences and remember Mrs Evelyn R Baltzer as a respected teacher, adviser, and friend.

Editor's Message

Years pass and times change as one grows older. The memories of people and events which were shared together become part of one's life. High school provides the opportunity for learning, for friendships, and for enjoyable activities. As each new day dawns, new challenges confront us. The decisions each person makes are his own but yet they are somehow shared by others. A firm foundation provides a good basis for making these decisions wise ones. We have received this foundation at Berlin Brothersvale Joint High School. As we enter a new world as mature and responsible adults may we recall our high school days with fond remembrance.

I would like to extend my sincere appreciation to the entire staff for the co-operation they have shown and the work they have done in the preparation of our yearbook. A special thank you goes to the co-editors who have spent a lot of time and work on the publication of the 1965 **Bervalon**.
